BRW's Best 50 Companies to Work for 2009

We are proud to announce that Cornwall Stodart achieved 36th place in BRW's Best 50 Companies to Work For 2009. The list is based on the results of the Great Place to Work Institute's (**Institute**) survey, which included employee and management questionnaires.

The Institute considers a great place to work is one where you: trust the people you work for, have pride in what you do and enjoy the people you work with. Accordingly, each of the 56 questions in the Trust Index falls under one of five Trust Dimensions: Credibility; Respect; Fairness; Pride and Camaraderie.

As a result of the feedback of our employees, Cornwall Stodart was selected as one of the best companies to work for in Australia and was given an overall rating of 85 per cent as a great place to work.

We have used the detailed feedback given by the Institute to help us provide an even better working environment for our staff.
